

Train performance at Manchester Airport railway station

How reliable were train services at Manchester Airport station recently?

4-week period from 28 June to 25 July	Train punctuality at Manchester Airport	Trains cancelled at Manchester Airport
	77.7%	5.8%
	69.4%	5.6%
	77.2%	10.5%
North West Route:	79.4%	3.1%

What are we doing to improve?

Next three months:

We are working to improve drainage across the North West, reducing delays and cancellations due to flooding.

Next year:

Plans are in place for technical improvements on our trains to improve their reliability.

Longer-term:

Completion of the Transpennine Route Upgrade and operating new, more reliable electric trains.

Chris Jackson, Managing Director TransPennine Express

Punctuality is the percentage of trains that arrived within three minutes of the scheduled time.

Cancelled means the percentage of trains that were scheduled to, but didn't, stop at this station. This does not include trains which didn't stop at this station if the decision was made before 22:00 the previous day.
